

Configuring Traktor Pro/Duo for the DJ Console (Windows version)

1- Configuration of the Console

- a) From the **DJ Console control panel**, set the audio mode to **DJ**
- b) Check the box **Enable ASIO Mode**
- c) For **MIDI Input**, select **DJ Console buttons**. This is very important to allow Traktor to use the DJ console as a controller.

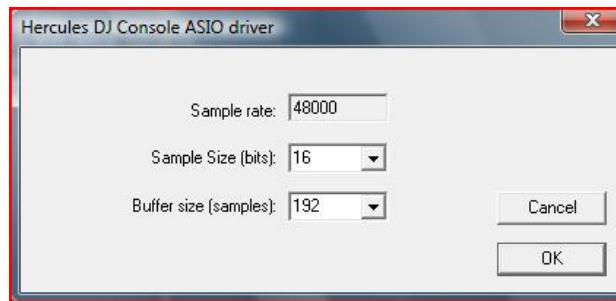

2- Audio configuration in Traktor

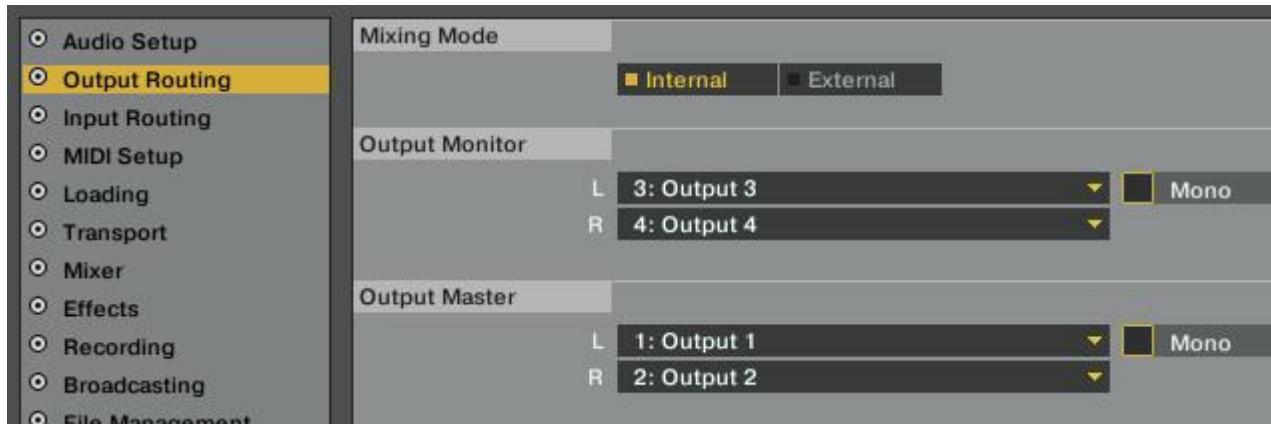

- a) From the **FILE** menu, select **Audio Setup**. Choose **Hercules DJ Console ASIO** as **Audio Device**.

- b) Click on **Settings** if you which to modify the various settings of the ASIO driver.

- d) in **Output Routing**, set Output 3 & 4 for **Monitor** and Output 1 & 2 for **Master**

3- Configuration of the Midi controllers in Traktor Pro (Version 1.27)

- a. At the bottom of the configuration menu, click the **Import** button to locate and select the **.TSI** configuration file.

- b. **Controller Mapping**, **MIDI Device Setup** and **Effects Settings** should be selected before clicking OK

A screenshot of the Traktor Pro 'Controller Manager' interface. On the left is a sidebar with various options like Audio Setup, Output Routing, Input Routing, etc., and 'Controller-Manager' at the bottom which is highlighted with a yellow background. The main area is titled 'Device Setup' with a red arrow pointing to the 'Device' dropdown menu which is set to 'Generic MIDI'. Below it is an 'Assignment Table' showing mappings for controls like Volume Fader, X-Fader, Play/Pause, and EQ High. The table has columns for Control, I/O, Assignment, Mode, Mapped to, Mod1, and Mod2. Buttons at the bottom include 'Add In...', 'Add Out...', 'Duplicate', and 'Delete'.

c. In **Controller-Manager**:

- For Device, select **Generic MIDI-DJ Console**
- Do the same for **In-Port**

NOTE: Since there is no MIDI OUT port available, the LEDs of the DJ Console cannot be used by Traktor.

This menu also give you access to the various MIDI settings, should you wish to modify them.

MIDI Layout for the DJ Console and Traktor Pro

NOTE: The terms used are those employed in Traktor
